This email will provide you access to documents that are being produced in response to the Information Request that EPA sent to Arkema Inc. on September 7. You will receive a separate email from me that will provide you access to other documents that are being produced pursuant to the Information Request and are Arkema Confidential Business Information.

Consistent with Arkema's agreement with Harris County Pollution Control Services Department and TCEQ, this email is also being sent to representatives of those agencies so they will have the same access to the documents being provided to EPA.

You will receive additional emails like this one as Arkema produces additional documents in response to the Information Request. Please let me know if you have any questions or have difficulty accessing the documents.
